### Home-Made Gas

Home-made gas is used by the Span-  
ish peasants living in the cork-oak re-  
gions of that country, the gas being ob-  
tained from cork refuse. As described  
by one authority, the process consists  
in filling several large teakettles with  
the waste bark, and placing each in  
turn over the fire during the evening,  
burning the volatile gas as it escapes  
from the spouts. The carbonized resi-  
due forms the fine black-brown pig-  
ment known to commerce as "Spanish  
brown."

### Neglected Colds Grow Worse

A cough that racks and irritates  
the throat may lead to a serious  
throat cough, if neglected. The  
healing pine balsam in Dr. Bell's  
Pine Tar Honey-Nature's own  
remedy—will soothe and relieve the  
irritation, breathing will be easier,  
and the antiseptic properties will  
kill the germ which retarded heal-  
ing. Have it handy for croup, sore  
throat and chronic bronchial affec-  
tions. Get a bottle today. Pleasant  
taste. At all druggists, 25¢.

### Sawing Diamonds a Trade Secret

The operation of sawing diamonds,  
although it would seem to be simple, in-  
volves a great deal of technical knowl-  
edge and is really a trade secret that  
is carefully guarded to such an ex-  
tent that it is followed as a separate  
trade, and some of the large establish-  
ments that conduct all of the other  
operations do not attempt to saw their  
stones, but send them out to shops that  
make a specialty of this branch of  
work.

## This Guaranteed Aluminum Cooker

The cost of Aluminum has doubled since we ordered these lifetime  
Cookers. At present prices, this offer would be impossible. So, in all  
probability, after our supply is exhausted, it cannot be made again.

Next week the grocers of this city will once more feature this  
Quaker Cooker offer. And for the last time, we believe.

We have supplied Cookers now to over 1,000,000 homes. We have  
supplied these guaranteed Aluminum Cookers for \$1 to Quaker Oats  
users. But this offer ends with our present supply, and probably for-  
ever. Unless Aluminum drops 50 per cent, we cannot again offer a  
Cooker like this for \$1.

But next week only we make the offer below. You can get this  
Cooker for \$1, by buying two of our cereals which should be cooked in it.

This offer is made to induce better cooking. To bring you Quaker  
Oats and Pettijohn's cooked in perfect form, with the flavor kept in-  
tact. Our reward will come in your doubled delight in these foods.

We ask the trademarks just to show that you use our cereals. Unless  
you have the right flakes, right cooking does not help much. But, if  
you use Quaker Oats and Pettijohn's, this cooker is yours for \$1. This  
is for one week only. Get the packages from any grocer named below.

# One Week Only—Your Last Chance

**Our Offer Is This:** Send us two trademarks cut from packages of Quaker Oats and one trademark cut  
from a package of Pettijohn's—the picture of the Quaker on the front of the Quaker  
Oats package and the picture of the Bear on the front of the Pettijohn's package—or, if you prefer, you may send us  
five trademarks from Quaker Oats alone. Send us \$1 with these trademarks and we will mail the cooker by parcel post.  
Trademarks must be mailed next week. This offer applies in this vicinity only. Address

## Quaker Oats

The Extra-Delicious Vim-Food  
Flaked from Queen Oats Only

All the world over Quaker Oats holds first place among oat foods. Oat  
lovers of a hundred nations send to us to get it. A billion dishes are  
consumed each year. Nowhere in the world do connoisseurs find any oat  
food to compare with it.

The reason is this: Quaker Oats is made from queen grains only—just  
the big, plump, luscious oats. No puny starved grains are included. A  
bushel of the choicest oats yields only ten pounds of Quaker.

The result is a flavor which has won the world—a flavor which is match-  
less. Yet these large and luscious flakes cost you no extra price.

Nature stores in oats a wealth of vitality which everybody needs. We  
want you to know this fascinating vim-food, made as we make it and  
cooked in our way.

## Pettijohn's

Rolled Wheat with 25% Bran Flakes  
A Modern Bran Dainty

Every doctor advises bran, as essential to right living. It is Nature's  
laxative. Everybody every day should eat it. It means better health, better  
spirits, sunnier days. Without it, our diet of fine food forces folks to drugs.

Pettijohn's is made to meet doctors' requirements. The bran is hidden  
in savory flakes of wheat. The food is a morning dainty which everybody  
likes. Yet it contains 25 per cent tender bran.

The bran is in flake form, which makes it doubly efficient. Ground bran  
will not do.

Try Pettijohn's one week. Note its delightful effects. Never again will  
you go back to a branless diet.

Then try Pettijohn's Flour. It is 75 per cent fine patent flour mixed with  
25 per cent bran flakes. Use it like Graham flour in any recipe.
